# Electronic Payments Enrollment Steps

Please follow the steps below to enroll in Electronic Payments.

Electronic Payments are for **expense reimbursements only** and should not be confused with Support Staff payroll via check or direct deposit.

Enrollment in Electronic Payments is not mandatory. If you choose not to enroll, you will continue to receive checks in the mail. However, if you provide services that require a 1099, you must complete the *Tax Information* form in order to receive payment for those services.

1. Log into the Portal.
2. Go to your *My Expenses* page.  
See <https://help.issny.org/books/electronic-payments/page/my-expenses-page> for more information.
3. Go to your *Payee Details* page.  
See <https://help.issny.org/books/electronic-payments/page/payee-details> for more information.
4. Complete the *Tax Information* form.  
See <https://help.issny.org/books/electronic-payments/page/payee-details-taxpayer-information> for more information.
5. Complete the *Electronic Payment Setup* form.  
See <https://help.issny.org/books/electronic-payments/page/payee-details-epay-enrollment> for more information.

You will **not** be enrolled to receive electronic payments until both the *Tax Information* and *Electronic Payment Setup* forms are completed and they are both verified as valid.

# Electronic Payments User Information Security

ISS takes data security very seriously. Our system is built using industry standards in data security.

While ISS' system is not obligated to be PCI compliant, all taxpayer and banking information is handled and stored in a PCI compliant manner. This includes, but is not limited to: all data is encrypted at rest and in transit, sensitive information is never stored or transmitted as plain text, and no employee of ISS or its vendors has access to your information.

Additionally, only you can modify your taxpayer or banking information. It is not possible for ISS staff to complete either the *Tax Information* or *Electronic Payment Setup* (ePay) forms on your behalf.

What does PCI stand for?

The full acronym is PCI DSS and that stands for Payment Card Industry Data Security Standard. PCI is a set of rules and guidelines that businesses must follow in order to protect cardholders while supporting credit card transactions.

### Payee Tax and ePay Status

On the Payee Summary bar, two icons appear. The first icon represents the **Payee Tax Status** and the second represents the **Payee ePay Status**. Each of these icons have 4 different statuses. These statuses are as follows:

- Gray - Information has not been submitted.

- Yellow - Information is currently being verified.
- Red - Information encountered an error while being verified.
- Green - Information has been verified as valid.

Hovering over the icons will display a tooltip reflecting the current status.

You will **not** be enrolled to receive electronic payments until both the *Tax Information* and *Electronic Payment Setup* forms are completed and they are both verified as valid.

## View Details

The *View Details* button appears if you have access to view and submit tax and ePay information for a given payee profile.

If you do not have access to this button, contact [websupport@issny.org](mailto:websupport@issny.org) to set up the correct permissions on your account.

# Payee Details - ePay Enrollment

ePay Enrollment may be filled out after completing the *Tax Information* form.

From the My Expenses page, select *View Details* to open the Payee Details screen. Then click the *Enroll for ePay* button on the left.

Once finished filling out the *Electronic Payment Setup* form, click *Submit* to save changes and submit the form.

# Electronic Payment Setup

Please enter your banking information to be eligible for Electronic Payments.

## Once you submit the *Electronic Payment Setup* form

- It will take up to seven calendar days for the ePay indicator to update as verified or not.
- Every form submission will restart this clock.
- ISS will send our bank a pre-note which will confirm your banking information.
- This pre-note is a zero dollar transaction. You will not receive any electronic payment at this time.
- ISS will receive a notification from the bank that your information is verified or not.
- Your ePay status on the Portal will be updated with the appropriate status.

You will **not** be enrolled to receive electronic payments until both the *Tax Information* and *Electronic Payment Setup* forms are completed and they are both verified as valid.

# Payee Details - Taxpayer Information

Before you can enroll in ePay, you must first complete the *Tax Information* form.

ACH regulations require that ISS knows that we are sending money to the correct person or organization. The way to do that is with a W-9, which is what our *Tax Information* form is.

Completing this form does not mean you will receive tax documents from ISS unless you are providing services that require a 1099. The IRS requires that ISS has proof of who you are so that we do not have to withhold money for taxes.

If you provide services that require a 1099, you must complete the *Tax Information* form in order to receive payment for those services.

From the My Expenses page, select *View Details* to begin enrollment.

Complete the second page of the form. Once finished, click *Submit* at the bottom right of the page.

## Tax Information (continued)

### Taxpayer Identification Number

Please select your TIN type 

☒ SSN - Social Security Number ☐ EIN - Employer Identification Number

#### SSN - Social Security Number *\* Required*

XXX XX XXXX

Enter your Social Security Number

XXX XX XXXX

Confirm Social Security Number

#### Certification *\* Please read and check the following boxes to confirm your enrollment*

Under penalties of perjury, I certify that (check):

- ☐ 1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- ☐ 2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- ☐ 3. I am a U.S. citizen or other U.S. person (defined below).
- ☐ 4. The FACTA code(s) entered on this form (if any) indicating that I am exempt from FACTA reporting is correct.

#### Certification instructions:

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For Real Estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Submit

## Once you submit the *Tax Information* form

The IRS will validate the information you provided on the form. If your information matches the IRS' records, your Payee Tax status will change to verified on the Portal.

This usually happens very quickly, but it does depend upon the IRS' e-Services availability, how many times you have tried to submit your information, and how many requests have been made from ISS that day.

You will **not** be enrolled to receive electronic payments until both the *Tax Information* and *Electronic Payment Setup* forms are completed and they are both verified as valid.

*Disclaimer: All names displayed in the above screen shots are fictional characters. No identification with actual persons (living or dead) is intended or should be inferred.*

# Tax and ePay Forms - Possible Errors and Messages

# Electronic Payment Setup Form Message - Possible Processing Delay

## **Possible Processing Delay**

An E-Pay processing attempt did not succeed. The system will auto retry but there may be a slight processing delay.

This means that the service the ISS Portal needs to submit your banking information to is currently busy. Your form submission has been received and there is no error. It will be sent as soon as connectivity is restored. There may, however, be a delay in your information being verified as a result.

---

Created 04/18/24.

# Tax Information Form Error - Daily Limit

Please retry in 24 hours. There is a daily limit on how many times a validation attempt may be made on any single Taxpayer ID Number (TIN: SSN/EIN). We must validate your Name and TIN match IRS records, but your daily retry limit has been reached.

ISS is only allowed a certain number of requests per day across all our users. Therefore we had to limit how many attempts each user is allowed. If you get this error, you have reached that limit. If that occurs, you will have to return in **24 hours** and try again.

**If you keep trying after getting this error, you are resetting that 24 hour clock.** You need to wait the full 24 hours before you try again.

---

Updated 03/22/24.

# Tax Information Form Error - Duplicate TIN Matching Request

Duplicate TIN Matching request.

The IRS defines TIN as Taxpayer Identification Numbers. TINs are either an individual's Social Security Number (SSN) or an organization's Employer Identification Number (EIN).

The IRS defines a "duplicate" as either attempts with exactly the same TIN, or exactly the same Name, plus the same first five TIN digits. The IRS does this to prevent their TIN Matching service from being used inappropriately.

ISS is only allowed a certain number of "bad requests" per day across all our users so continued errors in submissions will cause you to not be able to complete this process today. If that occurs, you will have to return tomorrow and try again.
