

# Release 139 - 3/25/2021

- Shifts longer than 24 hours will now require the support staff and circle approver to each provide an explicit reason to submit it and approve it, respectively.
- Fixes to viewing event details on the My Work page.
- Fixed a bug on the login page that sometimes appeared when notification banners were present.
- Improved the experience for adding events to forgotten shift.
- Added a new Time Off type, *VXPAY*.
