What is the difference between eTime Entry and eTime Live?

eTime Entry is the manual entry of each shift.

eTime Live provides a more app-like interface, allowing you to “punch” in and out rather than manually typing in dates and times. eTime Live allows you to record your time directly in the portal, in real time.

> ⚠ As of midnight 12/6/2020 you must use eTime Live and punch in and out for each shift's start and end. eTime Entry will no longer be an option for dates 12/7 and beyond except for PTO. Learn more»
