

# How to Change Your Password

To change your password while logged in:

1. Click **Menu** in the top right corner and select **Change Password**.

2. Provide your current password, a new password and then repeat the new password. Once you are finished, click **Change Password**.

A screenshot of a 'Profile Settings' page with a 'Change Your Password' section. The section contains three input fields: 'Current Password', 'New Password', and 'Repeat New Password'. Each field has a password strength indicator icon on the right. Below the input fields, there is a green 'Change Password' button, which is highlighted with a red rectangular box.

3. You will now be able to log into the portal with your new password.
