Your new Dynamic Budget Summary:

- Clicking on Budget will bring you to the new Dynamic Budget Summary page. This budget summary is very similar looking to the new budget summary PDFs delivered in the Old Participant Portal in 2018. Unlike those PDFs, however, these budget summaries are dynamic web code with which you may directly interact. All data

shown is accurate as of final postings on the prior business day. Future additions will add the ability for you to click on any monthly cell to drill down to the timesheets and expenses generating that cost.
