# Before You Start the Survey

---

Understand the goals of the survey:

- Find out which of your participants are working, so we can begin to monitor their SEMP dollars accordingly
- Get required data ISS must submit to state monthly
- Get documentation about participant's job so we can meet state requirements

Gather info about the jobs your participants held in the month of October, 2016. You'll want to have the following ready:

- Name of employer
- Hire data (exact or approximate, if exact not known)
- Hourly wage
- Average weekly hours worked
- Termination date, if applicable, even if in a previous month
- Termination reason, if applicable, even if in a previous month
- Documentation proving employment that shows the wage
  - Paystub, proof of employment, or letter from the Dept. Of Labor

# Training Goals

---

Once you complete this training, you'll understand:

- The goals of the SEMP Survey
- How to log into the software
- How to successfully complete the survey on a monthly basis

## **Attendees**

# Training Agenda

---

## Understand the Survey Goals

ISS is required by the state of New York to:

- Submit SEMP data to OPWDD every month
- Track SEMP dollars to prevent overspending
- Prove employment meets program requirements
  - Minimum wage, integrated setting
- Document outcomes of job coaching and job development

## Your role: SEMP Reporter

Job Developers and Job Coaches are now considered SEMP Reporters.

For your participants with SEMP, you are required to:

- Demonstrate that your participants are working toward getting a job
  - If not, their plans need adjusting.
- Once employed, prove the job meets the program requirements
- Track dates of hire and termination

# Using The SEMP Survey

---

1. Log in
2. Choose a participant
  - Note you can navigate between participants at this level
3. Choose a month
  - For the first survey, choose Oct 2016.
4. Answer the survey questions, using the “Next” buttons as they appear to progress through the survey.
  - Did the participant have a job in Oct 2016? yes/no
    1. Choose No to record a termination in the month of Oct 2016
    2. Choose No to record the case where the person didn’t work but received job development services
    3. Choose Yes if the person worked in Oct 2016:
      - Enter data about any job(s) the participant has
    4. Did the participant terminate a job in Oct 2016? yes/no
      - If “Yes”, fill out the Job data (place employed, etc.) and provide a termination date (\*even if it is before Oct 2016)
    5. Does the participant want a job?
      - Choose Yes to indicate you’re still developing/coaching
      - Choose No (\*and alert their Support Broker so they may remove from their budget)
      - Upload documentation of participant’s employed status
5. The “Next” buttons will light up based on the answers to the questions
  - After you enter Job info, and click the Next button, your job entries are checked for completeness

## Special considerations if using a phone

- If at all possible, for your first survey, try not to use a phone.
- Smaller screens will be easier to use and understand once you're familiar with the data
