Click on the menu icon (≡) at the top left. Under the **Myself** tab, locate the **"Pay"** section. Under that section, you can choose the following options:

- **Current Pay Statement** – This allows you to see the most recent Paystub. Alternatively, you can quickly access this by clicking on "View pay statement" link in the Pay section of your homepage.
- **Pay History** – This allows you to see everything, going as far back as 2016.

The screenshot shows the home page of the ISS Independent Support Services Inc. portal. A red box highlights the user profile icon at the top of the sidebar, and a red arrow points from it to the 'Current Pay Statement' option under the 'Pay' section. The main content area displays a 'Pay' card with the last pay date of 10/13/2022 and a link to view the pay statement. There is also a 'Mobile App' section with a download link and a 'To do' section with no tasks. The footer includes copyright information and a note that the system is powered by UKG.
